		2020-2021			
PG		2019-2020	5	4	80
		2020-2021	2	2	100

- 6. Vision of the department

To be a tertiary care centre for all patients with Orthopaedic problems, with specialised management of Complex trauma, Spine, Joint replacement, Sports medicine and Paediatric orthopaedics. We also intend to be the most favoured institute for post graduate studies in orthopaedics offering an attractive blend of faculty, teaching and variety of conditions presenting to the institute.

- 7. Other information:

- a. Sections/Units of the department — three units, each headed and manned by full time teachers.
- b. Services provided (new and old) — emergency services 24 x 7, Outpatient services six days a week with specialised services available, State of the art dedicated Orthopaedic Operating theatres, fully equipped with the latest Orthopaedic tools and devices, backed up by an expert team of anaesthetists and recovery and Anaesthesia Intensive care areas immediately adjacent to the OTs. In addition we also have a dedicated Orthopaedic trauma OT that is also fully equipped and runs round the clock. We have indoor services in the form of general wards, in addition we have special air conditioned rooms with attached toilets for those in need of special care.
- c. Specialty-wise bed distribution
- d. Departmental location

Located adjacent to the outpatient department at present.

- e. Time and days

Undergraduate and post graduate teaching occurs every day, both in the Outpatient department and in the conference room. Post graduate clinics take the form of didactic teaching, case presentations, case discussions, tutorials and journal club. There is also an audit conducted on all operated cases every ten days i.e. three times a month.

f. Patient related/ Non-academic Activities

Outpatient timings are 9 am to 1 pm (may be longer depending on patient load), on all days excluding Sunday. Emergency services run on all days, throughout the day.

Elective Operative days are also on all days excluding Sunday, through the day and the emergency operation theatre is available round the clock.
