P R E F A C E

At Hinduhridaysamrat Balasaheb Thackeray Medical College and Dr. R. N. Cooper Municipal General Hospital, we are dedicated to nurture inquisitive minds, promote innovation and empower the future generation of healthcare providers. As you browse through the pages of this booklet, you will be unlocking the gateway to a world brimming with limitless opportunities and transformative experiences.

This booklet will serve as your companion to explore the ethos and culture of our institution in all its aspects. This Information Booklet 2023 is compiled and crafted by the Department of Anatomy with the objective of acquainting newcomers with our institution.

Within the pages of this booklet, you will discover a roadmap to comprehend our curriculum, facilities, support networks and the numerous pathways available for your growth. As you embark on this educational journey, we encourage you to fully immerse yourself in the experiences offered by our institution. Our joint commitment to excellence, innovation and personal growth is evident in every aspect of our establishment.

Dr. Mehera Bhoir

Prof. & HOD

Department of Anatomy

ACKNOWLEDGEMENTS

This booklet embodies the idea of our esteemed Dean, Dr. Shailesh Mohite, who envisioned a guidance booklet for the incoming MBBS students. It has been meticulously compiled and crafted by the Department of Anatomy, under the capable guidance of our respected Dean sir and Professor and Head of the Department of Anatomy Dr. Mehera Bhoir. The booklet serves as a tour guide to acquaint you with the various aspects of our institution.

Mrs. Deepika Rani, Assistant Professor, Department of Anatomy, Mr. Ibrahim Ishtiyaque Ansari, Mr. Shaurya Pratap Singh, Miss Vishwa Dholaria, students of MBBS Batch 2022, Mr. Safal Boob, student of MBBS Batch 2019 and the Student Council extended their help and support in preparation of this booklet.

॥आरोग्यम् धनसंपदा॥

1. HISTORY OF THE INSTITUTION

Dr. Rustom Narsi Cooper Municipal General Hospital, the only BMC Hospital in the western suburbs of Mumbai is a tribute to the popular surgeon and great teacher Dr. Rustom Nusserwanji Cooper. It started as a maternity home in 1969 and was upgraded to a General Hospital in 1970.

Since 1977, it was recognised as a teaching hospital affiliated to KEM Hospital. The Trauma unit, ICU & ICCU were started in a separate casualty building with central ambulance service in 1982. In 1997, Department of Gynaecology & Obstetrics was shifted to Oshiwara Maternity Home, Psychiatry Department was shifted to Dr. V. N. Desai Hospital, Santacruz and other departments were accommodated in Cooper Hospital. It was proposed to redevelop Cooper Hospital through Private Party Participation in 2003. However in 2006, MCGM decided to redevelop it on it's own. The Resolution of a new Medical College at Dr. R. N. Cooper Municipal General Hospital was proposed in 2008. Accordingly redevelopment work started in 2009. The new redeveloped Cooper Hospital was inaugurated on 30 November 2013 with an increased bed strength of 580 beds as a General Speciality Hospital providing Secondary Health Care Services in the Western Suburbs of MCGM.

With the earnest efforts of our experienced and aspiring founder team, Hinduhridiyasamrat Balasaheb Thackarey Medical College came into existence in July 2015 with an annual intake of 150 undergraduate medical students and the bed strength of 700 beds. In 2019, the National Medical Commission resolution was passed to admit an annual intake of 200 undergraduate medical students. The Medical College is affiliated to Maharashtra University of Health Sciences, Nashik for undergraduate and postgraduate studies. At present the institute offers postgraduate courses in 16 disciplines.

The institution is making great strides in the field of medical education and healthcare under the dynamic leadership of our present Dean, Dr. Shailesh Mohite.

2. VISION

We strive towards excellence in undergraduate and postgraduate training using learner centric innovative teaching, provide accessible and holistic healthcare to all patients and render comprehensive support to community based on credible scientific research and evidence based practice, founded on the principal of ethics and equality.

3. MISSION

To impart medical education of the highest standards for the training of competent health care professionals in order to meet national requirements.

To develop into a centre of excellence for patient care at par with global standards and provide quality health care which is accessible, affordable and non-discriminatory.

To promote innovative research in healthcare which is based on sound scientific principles, promotes good clinical practice and aims to benefit society both in present and future.

4. MESSAGE FROM THE DEAN

Welcome and congratulations to each one of you for securing admission into this esteemed institute of Mumbai city.

As you stand on the threshold of a rewarding and challenging career, the path ahead will test your knowledge, skills and compassion, but always remember the profound impact you can have on people's lives. Every patient you care for, every diagnosis you make and every life you touch will be a testament to your dedication and unwavering commitment.

Over the next five and half years of your graduate studies, you will study many subjects through diverse teaching learning methods to emerge as an Indian Medical Graduate equipped with the right balance of Knowledge, Skills and Attitude, as a physician of first contact to the community while also being globally relevant. At every stage of your journey, the faculty of this institution will always be there to guide, support and mentor you.

Our institution stands as a beacon of excellence, which is recognized not only within the state but also beyond, boasting a team of accomplished faculty who are experts both within their respective domains and in the broader healthcare community.

Congratulations once again and best wishes in all your future endeavors.

5. INFRASTRUCTURE

The institute is situated within a secure, gated campus in the Vile Parle area of Mumbai, offering a plethora of modern amenities to cater to the diverse needs of the patients, students and staff. It consists of a New College Building, Hospital Building, Residential Quarters, Hostels, Canteens, free area for sports, lush green spaces and much more.

The new college building is a six-storey *state of the art* structure, which serves as an academic hub. It's design and facilities reflect a commitment to provide a conducive environment for learning and research. Within the college building, various departments foster academic excellence. These departments serve as the backbone of the institution where students receive world-class education and training.

There are large lecture theatres, designed to accommodate a large number of students, making them ideal for lectures, seminars and academic events. They are equipped with the latest audio-visual technology to enhance the learning experience.

Demonstration rooms are all equipped with the modern AV aids. Practical laboratories in respective departments offer a hands-on learning experience, allowing students to apply theoretical knowledge in

a real-world setting.

There are several other sections like Examination Halls, Research labs, Skill lab, Administration Block, a Medical Education Unit section and more in the new college building, all equipped with cutting-edge technology. Additionally, the new college building boasts an attractive courtyard, a central library, common rooms for boys and girls, a cafeteria, a recreation area, an auditorium and various other amenities.

The institute's Central Library holds an extensive collection of medical and related books along with prestigious National and International journals of medicine, which are kept on its first floor. The ground floor of the central library is reading area for students, which is open 24*7.

Adjacent to the college building, the hospital building is a comprehensive

**CENTRAL LIBRARY****AUDITORIUM**

healthcare facility. It encompasses a spacious OPD area, clinical departments, various diagnostic laboratories, an imaging centre, operation theatres, Blood center, community health area and all sort of other facilities for patients. This integration of Medical Education and clinical practice ensures that our students receive all round education.

**HOSPITAL BUILDING**

The institute also offers accommodation facility to students. These facilities aim to create a home away from home, where students can focus on their studies and personal growth. The newest hostel facilities are located in Tata Compound, about 500 meters from the main hospital gate. These hostels consist of two ten-storey towers with modern infrastructure, one for boys and one for girls, equipped with lifts and other facilities. The towers are manned by security personnel. Mess facility is available for wholesome food.

**GIRLS HOSTEL****BOYS HOSTEL**

Furthermore, there is on-campus hostel facility also available for final year UG students and interns, which consists of seven-storey UG boys and girls hostel. Additionally, satellite hostels are also there, one is in Urban Health Training Centre building, Swami Samarth Nagar, Andheri west and the other is Boys hostel, Sardar Vallabhbhai Patel Nagar, Four Bungalows, Versova, to provide accommodation to UG students.

		Dr. Richa Patel 9987837345

6. EDUCATION

Throughout the MBBS program, we cover a comprehensive array of all the medical subjects to provide the students with a well-rounded and holistic medical education that prepares them for the challenges and responsibilities of the medical profession. The teaching program at our institution adheres to the Curriculum Based Medical Education (CBME) approach, which besides the traditional medical education, equips the students with the essential orientation and skills needed for lifelong learning to ensure the delivery of proper patient care. Our curriculum places a strong emphasis on alignment and integration of subjects both horizontally and vertically, resulting in a comprehensive educational experience. In particular, there is the provision of Early Clinical Exposure, Electives and longitudinal care, which promote comprehensive medical education.

Furthermore, we implement the Attitude, Ethics, and Communication (AETCOM) module in letter and spirit, to reinforce the importance of ethical values, responsiveness to patients' needs and effective communication skills into our students. Additionally, our curriculum includes the Foundation Course, which is mandated by NMC to help lay the foundation of their role as healthcare providers.

Our commitment to CBME, AETCOM and a diverse subject offering ensures that our graduates are not just competent physicians but also compassionate and ethically sound healthcare providers.

7. DISCIPLINE

Attendance rules

As per MUHS, students must have 75% attendance in theory and 80% in practicals, failing which, the candidate will not be allowed to appear in the exams.

Routine Dress code

Students must dress in a manner appropriate to the medical profession and as prescribed by MUHS guidelines. They should not wear short pants, short tops or slippers.

Dress code during Exams

There is a dress code during exams, which is must for all students, including those from religious minority institutions under MUHS' jurisdiction.

For male students only half-sleeve shirt/T-shirt, faint colour shirt and full pant is allowed. There should be small buttons on shirt. No permission for design buttons, rings, chain or any ornaments is granted during the examination period. Watch, mobile/cell phone, head phone or any electronic equipment(s) are not allowed in the exam. No permission has been granted for apron, cap, sun glass, money purse, wallet during the examination period. Shoes are not allowed, use only chappal/slippers.

For Female Students only half-sleeve shirt/T-shirt, faint colour shirt and full pant or sari or salwar kamij is allowed. Designer buttons are not allowed. Watch, mobile/cell phone, head phone or any electronic equipment(s) are not allowed in the exam. No permission is granted for apron, cap, sunglass bangles, rings, pin, chain, neckless/ornaments (except mangalsutra), hand bags or purse/money purse during the examination period. Shoes are not allowed, use only chappal/slippers.

10. MUHS STUDENT WELFARE SCHEMES

Under the Students Welfare program, a lot of MUHS Schemes are announced for the greater benefit of Students Like:

- Sanjivani Vidyarthi Suraksha Yojana
- Dhanvantri Vidyadhan Yojana
- Bahishal Shikshan Mandal Yojana
- Kamwa va Shikha (earn while learn) scheme
- Savitribai Phule Scheme for Girls

Various scheme details are published on MUHS website: www.muhs.ac.in every year.

Student welfare coordinator acts as a facilitator in sharing, guiding and providing necessary assistance to eligible beneficiaries. There are two volunteer representatives from each batch, who provide regular updates on various schemes. The institutional Student Welfare Committee includes the following.

S.N.	NAME	DESIGNATION	ROLE IN STUDENT WELFARE COMMITTEE

12. STUDENTS ACTIVITIES

The college has a great legacy of various extracurricular activities, festivals and events. The cultural events with beats of music, dance and arts open the world of joy to students. Cultural events instil values of respect for our culture and tradition. During such events blood donation camps, food donation and 'Joy of Giving' are also conducted. 'Adrenaline' the sports week of the college encourages the sportsman spirit and teamwork in students.

Academic events like the 'Intra College Academic Week' conducts various activities like debates, quizzes and paper presentations etc. The annual academic Med Fest 'Qriosity' nourishes the young minds with various workshops, discussions, debates and case presentations.

CO-CURRICULAR ACTIVITIES

- White Coat Ceremony
- Organ Donation Day celebration
- Intra-college Academic event: PRE-QRIOSITY
- QRIOSITY
- Symposium
- GENESIS: Student research wing
- HBTMUN
- Toppers Talk

EXTRA CURRICULAR ACTIVITIES

- Avighna: The Ganesh Utsav
- Arunodaya (College Fest)
- College Week
- Xmas Excitement
- Rangotsav
- Sports
- Fusion beats
- Dandiya night
- Prom night

GLIMPSES OF STUDENT ACTIVITIES

The First Ever “*White Coat Ceremony*” of the college was organized by **Department of Anatomy**. It is a very solemn program which marks the initiation of students into the noble medical profession.

"*Anatrivia*" is an anatomy quiz that tests the participants on their knowledge of human anatomy through a series of questions.

“*Qriosity*”, our Academic Week is a dynamic platform where intellectual curiosity thrives! This event is a fusion of insightful debates, captivating orations and thought-provoking paper presentations.

Department of anaesthesia with students organised **Workshop on Basic Life Support** for general public. The general public was made aware about the basic skills of life saving and emergency management under the guidance of certified trainers from Department of Anaesthesia.

Experience diplomacy firsthand at “**HBTMUN**” – our college's Model United Nations event. Engage in global issues, debate and diplomacy while honing your skills as a future leader.

Students in collaboration with **Asian Medical Students Association** took part in cervical cancer screening camp for females of rural area where the students were taught the correct method of **cervical cancer screening** and various different instruments and new advanced techniques.

'Avighna' is our college's grand Ganesh Chaturthi celebration event. This festive extravaganza is a blend of traditional rituals, cultural performances and artistic expressions, symbolizing the removal of obstacles and the ushering in of new beginnings.

HBTMC band 'Trishul' won **FIRST** prize at '*Ascension*' organised at Seth GS Medical college and KEM Hospital & Terna Medical college and Hospital.

Men's cricket team won **FIRST** prize at KJ Somaiya medical college .

‘*Arunodaya*’ is the annual function of our college where you create your most cherished memories while capturing colorful and craziest moments.

“Fusion Beats”, in which you immerse yourself into melodious voices.

Uttkarsh Pawara from MBBS 2022 batch won **FIRST** prize in men’s single badminton championship in ‘*Akarshan*’ held at K. J. Somaiya Medical College.

Every Christmas and Shivjayanti, the students of our institute conduct the activity , ‘*Joy of Giving*’. Through this we aim to benefit the children from EWS category. This is made possible by getting together with several NGOs and other organisations.
